# USK SHOW

**Saturday 11th September, 2010**  
**RISK ASSESSMENT FORM**

You should consider what risk there is to those building up Trade Stands/Exhibits, and to members of the public throughout the duration of the show period. Outline the steps you propose to take to minimize the risks in the table below. Nearly every Trade Stand/Exhibit will have risk associated with the manual handling (un/loading goods) and trip hazards (failure to clear site) and these should be assessed. Feel free to copy the page if more space is required. Either the original or a copy must be forwarded with your application for space. Alternatively, you may forward your own Business Assessment as long as it is of similar format.  
 If in your opinion there is no risk, please print NO RISK, sign at the bottom, and return.

**NO APPLICATION FORMS FOR OUTSIDE TRADE STANDS OR EXHIBITOR SPACE IN THE MARQUEE WILL BE ACCEPTED UNLESS THIS FORM IS *FULLY* COMPLETED\***
