**STEAM CORNER EXHIBITOR APPLICATION**  
<http://www.uskshow.co.uk/vintage-tractors-a-steam.html>

Last year's Usk Show was once again a success despite the weather and the committee is keen to continue the show's reputation as one of the finest one-day shows in the country. The 174<sup>th</sup> show will be on Saturday 8 September 2018 at Gwernesney, near Usk (satnav NP15 1DD). Exhibitors are asked to set up and be ready for the public by 9 am. Support vehicles may not then move on the showground until 5 pm.

Steam Corner aims to support the organisers in making the show an event to be remembered. Ideally we would like to have as many models in steam as possible. The John Haining trophy will be awarded to the best steam-powered model in the exhibition. For static exhibits, 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> rosettes are awarded.

**Exhibitor's Application:**

If you can support us by exhibiting please complete the form overleaf and return it to me by Friday 17 August 2018. This will allow time to post your tickets to you. If you have any questions, please phone 01291 671303 or e-mail [chrislc96@gmail.com](mailto:chrislc96@gmail.com)

All exhibitors receive a free show ticket and car pass with the option of an additional free ticket for an assistant. **Please enclose a stamped self-addressed envelope** with your completed form so we can post the tickets to you.
