Welcome!

Usk Show started as a Ploughing Match in 1844 and has now grown to one of the biggest One-Day Agricultural Shows in the UK.

The show now has an annual average attendance of 20,000 visitors who join us for a great day out in the country with chance to see the 11 different Competition Sections in action, visit our 300 Trade Stands and Stalls and watch the Demonstrations and Attractions in our Main and Countryside Rings.

It is truly “A Great Day Out for Everyone” and we pride ourselves on being the busiest outdoor event in Monmouthshire. By becoming a Sponsor you can promote your presence in the county, generate sales leads and have direct access to our extensive audience.

Why not join our success?
