- National Pony Society

**NPS Qualifying Rounds:** These classes are judged under the Rules of the NPS. Ponies must be registered in any of the British Riding Pony studbook sections or the Ridden Register; the GSB; the AHSB; the AASB, or registered in the main body of their respective M&M Stud Book. Part bred are not eligible unless overstamp into one of the British Riding Pony studbook sections. or the Ridden Register. Qualifying rounds for most NPS competitions are open to ponies owned by NPS members and nonmembers but only ponies owned by adult NPS Qualifying or Life members are eligible to qualify for the final of the competition at the NPS Summer Championship Show at Malvern in August 2024.. The highest placed pony, if owned by an NPS member, in each class will qualify for the final. Qualification may pass down to third place if the first and second ponies are already qualified. NPS/Corscaron Horse Essentials Home Produced Ridden Championship - Riders of Home Produced ponies (see definition in the NPS Rules Book) can wear a white arm band in classes where this is indicated. These ponies, if owned by NPS members, are then eligible to qualify for the final at the NPS Summer Championship Show. The Owner's Membership cards **MUST** be produced in the ring when requested or the qualification will be forfeit.

Equine Passport Advice: All competitors **MUST** have with them the correct equine passport for the animal present on the Showground. Trading Standards have the right to attend the show and ask to see the passport, and in the event of a veterinary treatment the passport may be needed to be signed by the Vet

**All prize money for all Equine classes (inc Show Jumping) will be paid by Cash 4 Events Mobile Bank Unit sited near the Main Entrance from 10:00-18:00 on Show Day.** It is the competitor's responsibility to have correctly completed prize slips and to present them at the Cash 4 Events Mobile Bank to receive all prize monies due. No prize money will be forwarded to competitors after Show Day.

## RULES

- 1 Unaffiliated classes are open to horses or ponies who are not registered or affiliated to the relevant society in 2023
- 2 No horse/pony bred by, owned by or purchased from the yard of a judge is to be shown under that judge.
- 3 Only hats with the following are up to standard with the new bhs hat rules-  
PAS 015 2021  
VG1 01.040 (2014-12)  
ASTM F1163 (2004a or 04a onwards)  
SNELL E2016  
AS/NZS 3838 (2006 onwards)  
Please ensure you hat is up to any one of these standard. Spots checks will be in place, more information is available on Google re new hat standards on the bhs website.
- 4 Earrings and body piercings must not be worn.
- 5 All objections must be delivered in writing to the horse section secretary (Show Jumping Secretary for classes 112-130) **within one hour of the class being judged** with a deposit of £40 which will be forfeited if the objection is considered frivolous or lost. Stewards shall when possible deal with objections and when necessary call the Veterinary surgeon to examine the exhibit. If the decision is not accepted by the objector, the issue will be dealt with by the Section Committee at the next meeting after show day.
- 6 All exhibitors are responsible for their animals at all times. No animal is to be left unattended when tied to the outside of Lorries or trailers.
- 7 All exhibitors must proceed at **WALKING PACE** unless in designated exercise/warm up areas.
- 8 Space does not allow for a specific area to lunge a horse or pony; therefore, **lunging is not permitted anywhere on the show field** in the interest of public safety.
- 9 Classes with fewer entries than three, may be cancelled or amalgamated with another class, at the Horse Section Secretary's decision. Exhibitors will be notified at least 5 days before show day, if this occurs. In classes with four or less entries, prizes will only be awarded to 2nd place.
- 10 Joint measurement height certificates will be accepted where proof of height is required.
- 11 In Showing, a novice animal is one that has not won a first prize prior to the entries closing date.
- 12 All entrants will receive 1 pass for the rider/handler for up to 2 exhibits entered and 2 passes for 3 or more exhibits entered, plus 1 pass for the driver of the vehicle and 1 vehicle pass. Please note that these will be sent via email (unless entry is received via post, when passes will be posted).  
**Back numbers must be collected from the Showjumping Section Secretary's tent on show day - for SHOW JUMPING ENTRANTS ONLY. Showing & Dressage Competitors to wear bridle numbers (worn on the off side) or self-printed allocated competitor number, THESE WILL NOT BE SENT TO ANY COMPETITOR VIA POST OR EMAIL**
- 13 **POSTAL ENTRIES CLOSE ON AUGUST 20TH 2023 LATE POSTAL ENTRIES WILL NOT BE ACCEPTED IN ANY SHOWING CLASSES.**  
**ONLINE ENTRIES CLOSE AT MIDNIGHT ON SUNDAY AUGUST 27TH 2023.**
- 14 The organisers of the show have reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective everyone must take all reasonable precautions to avoid and prevent accidents from occurring and must obey the instruction of the organisers and the officials and stewards.
- 15 Only Champions from each section will go forward to the 'Best in Show'.
- 16 Although a Public Address System is provided, the show has **no responsibility for ensuring sound coverage across the whole showground**. It is therefore each competitor's responsibility to ensure they present themselves and their exhibit in the ring at the time of their chosen class.
- 17 **A fall of horse or rider in any of the ridden classes will result in elimination of the rider from that class.** The rider is strongly advised to see the on site medical team before continuing to compete in any other classes. This rule will apply in 2023 to all ridden classes except those affiliated to British Show jumping, whose own rule on this subject will apply in these British Show jumping classes. *(213:1 One fall eliminates horse and rider. The rider may not attempt another fence but must leave the arena immediately, mounted or dismounted. 213:3 The first fall of the horse and/or rider after entering the arena before completing the course incurs elimination in any competition.)*
- 18 All competitors, when riding on the showground **must** wear the assigned and clearly visible back or bridle number.
- 19 Dogs are **not** encouraged in the horse area and must be kept on a short lead at all times whilst on the showground..

# EQUINE INFLUENZA

*Horses must have been vaccinated to comply with the requirements of the primary course (1<sup>st</sup> vaccination and then 2<sup>nd</sup> vaccination between 21 – 92 days later), followed by the first booster (150 – 215 days) and all subsequent boosters. Horses may compete having received the primary course and prior to the first booster but not within 7 days of receiving a vaccine dose.*

*Horses must have been vaccinated within 12 months before the show but not less than 7 days of arriving at the show.*

## **Foals**

*In-foal mares that have already had vaccinations of primary Equine Influenza course should be vaccinated 4-6 weeks before the foal is due to be born.*

# **USK FARMERS' CLUB LTD SAFETY POLICY STATEMENT**

It is the USK FARMERS' CLUB LTD policy to ensure so far as it is reasonably practicable that an environment is created and maintained at all times during the setting up and running of the Usk Show which is both safe and healthy for the benefit of all. The prevention of all accidents particularly those involving personal injury or damage to equipment and property is recognised as being essential to the efficient running of the Show as well as to avoid hardship and suffering.

The USK FARMERS' CLUB LTD commits itself to the implementation of the Health and Safety at Work Act 1994 (plus any amendments as from time to time may occur) including the management of Health and Safety at Work regulations 1992 and actively seeks the full and understanding co-operation of all for their commitment to the same. THE USK FARMERS' CLUB LTD with the aid of all exhibitors and contractors, will assess the risks to the health and safety of all and of everyone else who may be affected by any activity carried on at the Usk Show. These assessments will enable any necessary preventative and protective measures to be taken to ensure a safe and healthy environment at the Show.

The USK FARMERS' CLUB LTD will provide adequate training and instruction as necessary for all stewards to ensure the safe running of all operations and events at the Show. The USK FARMERS' CLUB will revise this Safety Policy Document annually as required by the Health and Safety at Work Act 1974.

## **PERSONNEL RESPONSIBLE FOR HEALTH AND SAFETY CHAIRMAN AND SHOW COMMITTEE**

The Chairman and Show Committee shall have overall responsibility for all aspects of health and safety and shall so far as is reasonably practicable ensure that everybody under their control are familiar with the USK FARMERS' CLUB LTD's Safety Policy and will encourage at all times the co-operation of all members, stewards, contractors, exhibitors and members of the public for their commitment to the same. The Chairman and Show Committee will also act on health and safety guidance and advice received from the USK FARMERS' CLUB LTD's part time safety advisor.

## **STEWARDS**

These will assist with the implementation and enforcement of this Policy Statement and take charge in dealing with emergencies and major accidents at the Usk Show.

## **EXHIBITORS' RESPONSIBILITIES**

All exhibitors must take reasonable care of the health and safety of themselves and all other persons who may be affected by their acts or omissions. No exhibitor may misuse, fail to use or recklessly interfere with any equipment provided by the CLUB in the interests of health and safety under statutory obligations or otherwise.

All exhibitors should note the Management of Health and Safety at Work Regulations 1992, which requires co-operation and co-ordination between all Exhibitors and the USK FARMERS' CLUB LTD in so far as the requirements on both to carry out adequate risk assessments covering the work to be carried out, and to implement any procedures as required by the above legislation, and also inform all those concerned of these assessments and procedures.

## **PARTICIPANTS AND EXHIBITORS**

All participants and exhibitors are required to conform to the USK FARMERS' CLUB LTD's Safety Policy Document in order to maintain the highest standard of Health and Safety practically possible.

Participants and exhibitors must ensure the health and safety of themselves and any other persons who may be affected by their acts or omissions. The co-operation of participants and exhibitors will be paramount in achieving so far as is reasonably practicable a safe and trouble-free programme.

## **SAFETY ADVISOR (PART TIME)**

The Safety Advisor shall be responsible for the day to day running of the Health and Safety Policy and shall report directly to the Chairman, Secretary and Show Directors. The Safety Advisor shall be responsible for:

- a) Providing guidance and advice on health and safety matters;
- b) Promoting safety consciousness at all levels within the health and safety training programmes;
- c) Liaison with all persons, medical, fire authority, HSE, local authorities and other appropriate departments;
- d) To advise on accident prevention techniques and investigate and record all accidents to provide statistics for the Chairman and Show Committee.

## **MACHINERY**

Any plant, machinery or equipment used prior to, during or after the event should only be operated by an adult who is fully trained in its safe use. Use by inexperienced or untrained persons is not permitted.

Passengers must not be carried on vehicles and machines unless they are designed or adapted for that purpose. Any use of equipment by persons under 16 is prohibited.

Plant and machinery must only be operated and demonstrated after ensuring that adequate precautions are taken to protect the operator and bystanders. Operators must be told that unsafe operation will not be allowed and may lead to possible legal action by the relevant enforcing authority.

All machinery used must comply with the "Provision and Use of Work Equipment Regulations 1998". Guidance on standards to be achieved in respect of machinery safety is contained in BS5304 – 1988 – "Safety of Machinery" and guidance issued by the HSE.

Machinery must only be operated or demonstrated in areas fenced off from the public. There must be a sufficient number of stewards available to control the public during any demonstration and adequate "Risk Assessments" must be submitted to the Show Committee covering each and every working demonstration. Operators should be told to cease their activities should any person encroach into the danger area.

When positioning ropes, fences and barriers to restrict the access of persons into potential danger areas, an adequate margin of safety must be observed. In particular, account must be taken of the risks to those persons from materials, which may be ejected from machines.

All static exhibits must be erected in a way that ensures they do not present a risk to any person

during the event (including erection and dismantling). The correct protective clothing/equipment must be worn at all times when participants and exhibitors are engaged on any activity for which protective clothing/equipment is required, e.g. any person using a chain saw must wear the relevant protective clothing. All such protective clothing/equipment must comply with the requirements of Personal Protective Equipment at Work Regulations 1992.

## **ELECTRICITY**

All temporary low voltage distribution systems (415V or less) on the site will be subject to the “Electricity at Work Regulations 1989”. All electrical installations should be carried out by a competent electrician familiar with the requirements of the above legislation and should operate to the standards recommended by the Institute of Electrical Engineers. Anyone who provides electrical apparatus for their own or anyone else’s demonstration etc. should, before it is connected to the electrical supply, arrange for its inspection and testing by a competent Electrician and documentation should show the date of the test and the name of the person carrying out the test. All equipment should be connected to the supply through a Residual Current Device (RCD) and all cables and connections where not protected by a weatherproof structure shall be of such construction or as necessary protected to prevent, so far as is reasonably practicable, danger arising from such exposure.

Socket outlets should not be overloaded, extension leads should not be used indiscriminately. All mains connected portable and transportable electrical equipment should be installed and used in accordance with HSE Guidance Note PM32 “safe use of portable electrical apparatus”. All temporary installations must be safely disconnected and removed from the site after the event.

## **GENERATORS**

Any generators used, must be silenced, diesel generators.

## **CATERING**

All static/mobile caterers must ensure that they comply with all the relevant current Food Hygiene Regulations. Food Safety Act 1990, Food Safety (General Food Hygiene) Regulations 1995, Food Labelling Regulations 1996, Health & Safety at Work Act 1974.

All caterers should realise that Inspectors of the Local Council Environmental Health Departments may make inspections prior to and during events to ensure that ‘Food Operators’ understand and comply with the relevant legislation. All establishments selling Food and/or Drink must comply with the above Food Hygiene Regulations. Guidance on Health and Safety in Kitchens and food Preparation Areas HS(G)55 is available from HMSO Tel: 0171-873-0011. Caterers should obtain a copy and follow the guidelines therein.

## **LIQUID PETROLEUM GAS (LPG)**

All Exhibitors, Trade Stands, Caterers, Retailers, etc. who use LPG MUST comply with Guidance notes referred to below, in respect of the storage and use of any LPG containers that they bring onto the showground. Any full or empty cylinders not in current use must be kept in an adequate store as described in the guidelines referred to below and not on the stand, exhibit or in the caterer’s kitchen. No LPG cylinders should be kept inside any building. The gas from these cylinders should be piped to the appliances being used. All pipework should be rigid whenever possible with the shortest

possible amount of rubber tubing used. All rubber tubing used should confirm to BS3212 Standard. Hose connections should be secured with the correct hose clips at all times. If there is temporary or permanent storage of LPG on the same site then this storage must comply with HSE Guidance Booklet HS(G)4 "The Storage of LPG at fixed installations" for bulk storage, or with HSE Guidance Note CoP7 "The keeping of LPG in cylinders or similar containers" for other types of storage. All use of LPG on site should also be in accordance with HSE Guidance Note CoP7. Exhibitors, caterers, etc. are required to ensure that their gas appliances have been recently examined and tested by a competent person and labelled to indicate the examiner's name and date of examination.

### **SHOW STAND SAFETY**

No pesticides and other substances hazardous to health should be kept on trade stands. Trade stand exhibitors should display only new, EMPTY containers.

Any steam or pressure vessel or lifting appliances used/demonstrated must be examined and documented as with electrical apparatus and gas appliances.

All temporary structures including marquees, buildings, information boards, fences and gates must be soundly constructed, erected and safe for their intended purpose and comply with the latest and relevant codes of practice.

Exhibitors must give regard to the stability of their exhibits and ensure that they are secured against any form of collapse.

Petroleum product storage must be in accordance with standards laid down by the fire prevention department of the local fire authority.

### **ELECTRICAL DISTRIBUTION SYSTEM**

Exhibitors are also warned of the danger from the distribution of high or low voltage systems throughout the showground. Exhibitors are asked to check on the position of cables, above and below ground, prior to erecting stands, marquees or flagpoles.

### **VEHICLE EXHIBITS**

Exhibitors are not allowed to demonstrate or exhibit any vehicles in the avenues during the Show without prior authorisation.

### **EXCAVATION**

No exhibitor will be allowed to excavate in any part of his/her stand without permission from the CLUB. It is imperative that the exhibitor checks the position of underground services prior to any excavation works being carried out.

All fencepost and flag pole holes must be filled and reseeded or returfed.

### **CONTRACTORS**

Exhibitors are responsible for ensuring that their contractors are aware of and follow all relevant Health and Safety legislation together with the Club's Health & Safety Policy.

## **SAFETY REQUIREMENTS – HEALTH AND SAFETY AT WORK ACT 1974**

Special attention is directed to the safety requirements outlined in the regulations governing the allocation of space for machinery and other stands. The ruling of the Steward on the safety of any exhibit, or part of an exhibit, shall be immediate and final; but consent to the working of an exhibit, shall not relieve any exhibitor of liability as laid down in the regulations.

The CLUB holds exhibitors wholly responsible for the observance of statutory regulations governing the safety of machinery exhibited by them. Machines and appliances are accepted for the adjudication and on the understanding that they are capable of complying with the Health and Safety at Work Act 1974 and the regulations, which are implemented under it.

## **CYCLES**

No motorcycles, motorbikes or ATVs of any kind may be taken on to the Show avenues without prior authorisation.

## **FIRE PRECAUTIONS**

Exhibitors bringing their own tentage must ensure that it has been treated with a suitable fire retardant and in the case of a large marquee, a plan showing all fire exits must be submitted for approval by the local Fire Authority. All trade stands must have fire extinguisher(s) sited in a prominent position and in full view. These appliances should be held at the following rate: 250-500 sq. ft. ONE; 500-1000 sq. ft. TWO; for each additional 1000 sq. ft. or part of, a further appliance is required. The most suitable extinguisher is a 5 kilo dry powder type, which in the case of most fires, will contain the outbreak until the arrival of the fire brigade.

## **FIRE/EMERGENCY PROCEDURE**

1. In the event of fire, evacuate the stand or area immediately.
2. Report the fire to the Secretary's Tent where the Fire Authority can be notified.
3. Keep all spectators well clear of the area.

## **ACCIDENTS/FIRST AID**

The PRIORITIES are:

The safe treatment of the injured person. Immediate action to prevent re-occurrence. Reporting/ Investigation

1. First aid is available at the First Aid Tent.
2. An accident book is kept in the First Aid Tent which must record the incident.
3. In the event of any accident the CLUB should be informed immediately. The Safety Advisor will be responsible for investigating the accident and recommending the necessary action following any accident.

## **LIVESTOCK**

In the interests of safety unauthorised movement of animals during the show period will not be allowed.

Exhibitors of BULLS should make themselves familiar with HSE Guidance Note GS36 'Safe custody of Bulls at agricultural shows, Markets or similar premises off the farm'. Guidance Note GS36 gives appropriate methods for handling bulls at events:

- (a) Two people, one using a bull pole attached to the bull's nose ring and the other using a rope or chain attached to the halter or head chain via the nose ring;
- (b) Two people both using ropes or chains, one rope or chain attached to a halter, the other attached directly to the nose or via the nose ring to the halter;
- (c) One person using a bull pole attached to the bull's nose ring and a rope or chain attached to a halter, or head chain via the nose ring, with a competent person standing by able to assist in the control of the bull if necessary;
- (d) One person using a rope or chain attached to a halter with a second rope or chain attached directly to the nose ring or via the nose ring to the halter, with a competent person standing by able to assist in the control of the bull if necessary.

Please NOTE any bull over 10 months old being led on the showground MUST be accompanied by TWO handlers at all times. Young persons should not be allowed to handle bulls.

Exhibitors of HORSES should familiarise themselves with any rules or guidance notes issued by the appropriate authority or Club which control the particular activity and they must comply with these standards.

#### **HARD HATS**

Anyone riding a horse or pony must wear a hat to British Standard specification and of a standard approved by the governing body of their respective horse or pony Club, association or discipline and under whose rules they are exhibiting or competing. This hat must be worn at all times.

#### **SPRAY DIPPING OF SHEEP**

The use of any substance containing toxic chemicals, including sheep dips to prepare sheep for showing, whilst on the showground, is strictly forbidden.

#### **DOGS**

Except for Guide Dogs or participants in the Dog Show, all other exhibitors are not encouraged to bring their dogs onto the showground. All dogs, other than while competing in the Dog Show, must be kept on a short lead at all times.

All competitors in the Dog Show must ensure that their animals are kept under strict control at all times. They are also asked to be responsible for the cleaning and disposal of all dog faeces.

Dogs are not allowed in the Main Exhibition Marquees or Livestock Areas.

#### **SMOKING**

Smoking is not allowed in Marquees, in accordance with the Health Act 2006.
