GENERAL RULES AND REGULATIONS

1. All competitors in the Agricultural Section of the Show, must be Members of the Club, and reside, or directly own farmland, in the former County of Gwent. All other sections of the Show are "Open", unless otherwise stated in Class Regulations.
2. The Annual Subscription, due on 1st April each year, shall be as follows: Ordinary Membership – £50 Vice President – £75 Single Membership - £25 (or £37.50 for Single Vice President). Members receive Two Admission Passes and Members' Badges for the Show (1 Admission pass/badge for Single members).
3. ALL ENTRIES to be made on the appropriate printed form to reach the Secretary not later than August 14th, unless otherwise stated in Section Schedules. LATE ENTRIES WILL NOT BE ACCEPTED (unless stated otherwise).
4. All exhibitors must provide proper attendants for securing all Animals to the satisfaction of the Stewards.
5. The Committee shall arrange the Schedule of Prizes and have power to fix such entrance fees as they may consider desirable, inclusive of classes whose prizes are offered by Sponsors.
6. All Exhibitors, and others in charge of exhibits must obey the order of Stewards. Refusal to do so will disqualify and make their exhibits liable to removal from the Showground.
7. All objections to be delivered in writing to the Secretary within **one hour of the class being judged** with a deposit of £100, which shall be forfeited if the objection is considered frivolous. Stewards shall, where practicable, deal with objections, and where necessary, call in a Veterinary Surgeon to examine the exhibit. If their decision is not accepted by the objector, the dispute shall be dealt with by the Sub-Committee.
8. Any breach of the Rules and Regulations of the Club, or Conditions of Entry, will render Exhibitors liable to forfeit their prizes, and to be disqualified in such extent as the Sub-Committees appointed for the purpose may decide upon. The decision of the Sub-Committee on any matter arising out of these Rules and Regulations, whether printed here or elsewhere in the Schedules, shall be final and binding.
9. No exhibit to be removed from the Agricultural Section before 4.00 p.m. (for other exhibits see Section Schedules) without the permission in writing from the Chief Steward or Secretary.
10. Entrance fees to be as stated in each Section Schedule.
11. No prize will be awarded unless the Judge considers there is sufficient merit.
12. A Commemorative Award will be awarded to a competitor winning a Challenge Cup for three years in succession (commencing 1984).
13. Members showing stock shall not exhibit badge of office in the Ring.
14. Each Exhibitor shall be solely responsible for and shall make good and repair any loss, damage or injury caused or occasioned by him, or by or through his exhibit, and shall indemnify and hold blameless the Usk Farmers' Club Limited against all legal and other proceedings in regard thereto.
15. The Club shall not hold themselves responsible for any loss of, or damage to any exhibit at the Show, or any other property belonging to any Exhibitor, or for any error of description in the Catalogue, or for any accident, injury or damage, however caused occurring to any Exhibitor, or his servant, or any other person attending the Show.
16. All the Rules and Regulations printed in Section Schedules and Catalogue of the Show, shall be deemed to be part of the Rules of the Club, and binding on the Members accordingly. The Committee shall be empowered to appoint previously a Sub-Committee to settle on Show Day, any objection or disputes then arising.
17. No child under 16 years old to parade in the Main Ring without a competent adult, over 18 years old, with them at all times.

USK FARMERS' CLUB LTD SAFETY POLICY STATEMENT

It is the USK FARMERS' CLUB LTD policy to ensure so far as it is reasonably practicable that an environment is created and maintained at all times during the setting up and running of the Usk Show which is both safe and healthy for the benefit of all. The prevention of all accidents particularly those involving personal injury or damage to equipment and property is recognised as being essential to the efficient running of the Show as well as to avoid hardship and suffering.

The USK FARMERS' CLUB LTD commits itself to the implementation of the Health and Safety at Work Act 1994 (plus any amendments as from time to time may occur) including the management of Health and Safety at Work regulations 1992 and actively seeks the full and understanding co- operation of all for their commitment to the same. THE USK FARMERS' CLUB LTD with the aid of all exhibitors and contractors, will assess the risks to the health and safety of all and of everyone else who may be affected by any activity carried on at the Usk Show. These assessments will enable any necessary preventative and protective measures to be taken to ensure a safe and healthy environment at the Show.

The USK FARMERS' CLUB LTD will provide adequate training and instruction as necessary for all stewards to ensure the safe running of all operations and events at the Show. The USK FARMERS' CLUB will revise this Safety Policy Document annually as required by the Health and Safety at Work Act 1974.

PERSONNEL RESPONSIBLE FOR HEALTH AND SAFETY - CHAIRMAN AND SHOW COMMITTEE

The Chairman and Show Committee shall have overall responsibility for all aspects of health and safety and shall so far as is reasonably practicable ensure that everybody under their control are familiar with the USK FARMERS' CLUB LTD's Safety Policy and will encourage at all times the co-operation of all members, stewards, contractors, exhibitors and members of the public for their commitment to the same. The Chairman and Show Committee will also act on health and safety guidance and advice received from the USK FARMERS' CLUB LTD's part time safety advisor.

STEWARDS

These will assist with the implementation and enforcement of this Policy Statement and take charge in dealing with emergencies and major accidents at the Usk Show.

EXHIBITORS' RESPONSIBILITIES

All exhibitors must take reasonable care of the health and safety of themselves and all other persons who may be affected by their acts or omissions. No exhibitor may misuse, fail to use or recklessly interfere with any equipment provided by the CLUB in the interests of health and safety under statutory obligations or otherwise.

All exhibitors should note the Management of Health and Safety at Work Regulations 1992, which requires co-operation and co-ordination between all Exhibitors and the USK FARMERS' CLUB LTD in so far as the requirements on both to carry out adequate risk assessments covering the work to be carried out, and to implement any procedures as required by the above legislation, and also inform all those concerned of these assessments and procedures.

PARTICIPANTS AND EXHIBITORS

All participants and exhibitors are required to conform to the USK FARMERS' CLUB LTD's Safety Policy Document in order to maintain the highest standard of Health and Safety practically possible.

Participants and exhibitors must ensure the health and safety of themselves and any other persons who may be affected by their acts or omissions. The co-operation of participants and exhibitors will be paramount in achieving so far as is reasonably practicable a safe and trouble-free programme.

SAFETY ADVISOR (PART TIME)

The Safety Advisor shall be responsible for the day to day running of the Health and Safety Policy and shall report directly to the Chairman, Secretary and Show Directors. The Safety Advisor shall be responsible for:

- a) Providing guidance and advice on health and safety matters;
- b) Promoting safety consciousness at all levels within the health and safety training programmes;
- c) Liaison with all persons, medical, fire authority, HSE, local authorities and other appropriate departments;
- d) To advise on accident prevention techniques and investigate and record all accidents to provide statistics for the Chairman and Show Committee.

MACHINERY

Any plant, machinery or equipment used prior to, during or after the event should only be operated by an adult who is fully trained in its safe use. Use by inexperienced or untrained persons is not permitted.

Passengers must not be carried on vehicles and machines unless they are designed or adapted for that purpose. Any use of equipment by persons under 16 is prohibited.

Plant and machinery must only be operated and demonstrated after ensuring that adequate precautions are taken to protect the operator and bystanders. Operators must be told that unsafe operation will not be allowed and may lead to possible legal action by the relevant enforcing authority.

All machinery used must comply with the "Provision and Use of Work Equipment Regulations 1998". Guidance on standards to be achieved in respect of machinery safety is contained within HSE guidance and relevant British and European Standards.

Machinery must only be operated or demonstrated in areas fenced off from the public. There must be a sufficient number of stewards available to control the public during any demonstration and adequate "Risk Assessments" must be submitted to the Show Committee covering each and every working demonstration. Operators should be told to cease their activities should any person encroach into the danger area.

When positioning ropes, fences and barriers to restrict the access of persons into potential danger areas, an adequate margin of safety must be observed. In particular, account must be taken of the risks to those persons from materials, which may be ejected from machines.

All static exhibits must be erected in a way that ensures they do not present a risk to any person during the event (including erection and dismantling). The correct protective clothing/equipment must be worn at all times when participants and exhibitors are engaged on any activity for which protective clothing/equipment is required, e.g. any person using a chain saw must wear the relevant protective clothing. All such protective clothing/equipment must comply with the requirements of Personal Protective Equipment at Work Regulations 1992.

ELECTRICITY

All temporary low voltage distribution systems (415V or less) on the site will be subject to the "Electricity at Work Regulations 1989". All electrical installations should be carried out by a competent electrician familiar with the requirements of the above legislation and should operate to the standards recommended by the Institute of Electrical Engineers. Anyone who provides electrical apparatus for their own or anyone else's demonstration etc. should, before it is connected to the electrical supply, arrange for its inspection and testing by a competent Electrician and documentation should show the date of the test and the name of the person carrying out the test. All equipment should be connected to the supply through a Residual Current Device (RCD) and all cables and connections where not protected by a weatherproof structure shall be of such construction or as necessary protected to prevent, so far as is reasonably practicable, danger arising from such exposure.

Socket outlets should not be overloaded, extension leads should not be used indiscriminately. All temporary installations must be safely disconnected and removed from the site after the event.

GENERATORS

Any generators used, must be silenced, diesel generators ONLY.

CATERING

All static/mobile caterers must ensure that they comply with all the relevant current Food Hygiene Regulations. Food Safety Act 1990, Food Safety (General Food Hygiene) Regulations 1995, Food Labelling Regulations 1996, Health & Safety at Work Act 1974.

All caterers should realise that Inspectors of the Local Council Environmental Health Departments may make inspections prior to and during events to ensure that 'Food Operators' understand and comply with the relevant legislation. All establishments selling Food and/or Drink must comply with the above Food Hygiene Regulations. Guidance on Health and Safety in Kitchens and food Preparation Areas HS(G)55 is available from HMSO Tel: 0171-873-0011. Caterers should obtain a copy and follow the guidelines therein.

LIQUID PETROLEUM GAS (LPG)

All Exhibitors, Trade Stands, Caterers, Retailers, etc. who use LPG MUST comply with Guidance notes referred to below, in respect of the storage and use of any LPG containers that they bring onto the showground. Any full or empty cylinders not in current use must be kept in an adequate store as described in the guidelines referred to below and not on the stand, exhibit or in the caterer's kitchen. No LPG cylinders should be kept inside any building. The gas from these cylinders should be piped to the appliances being used. All pipework should be rigid whenever possible with the shortest possible amount of rubber tubing used. All rubber tubing used should confirm to BS3212 Standard.

Hose connections should be secured with the correct hose clips at all times. If there is temporary or permanent storage of LPG on the same site then this storage must comply with HSE Guidance Booklet HS(G)4 "The Storage of LPG at fixed installations" for bulk storage, or with HSE Guidance Note CoP7 "The keeping of LPG in cylinders or similar containers" for other types of storage. All use of LPG on site should also be in accordance with HSE Guidance Note CoP7. Exhibitors, caterers, etc. are required to ensure that their gas appliances have been recently examined and tested by a competent person and labeled to indicate the examiner's name and date of examination.

SHOW STAND SAFETY

No pesticides and other substances hazardous to health should be kept on trade stands. Trade stand exhibitors should display only new, EMPTY containers.

Any steam or pressure vessel or lifting appliances used/demonstrated must be examined and documented as with electrical apparatus and gas appliances.

All temporary structures including marquees, buildings, information boards, fences and gates must be soundly constructed, erected and safe for their intended purpose and comply with the latest and relevant codes of practice.

Exhibitors must give regard to the stability of their exhibits and ensure that they are secured against any form of collapse.

Petroleum product storage must be in accordance with standards laid down by the fire prevention department of the local fire authority.

ELECTRICAL DISTRIBUTION SYSTEM

Exhibitors are also warned of the danger from the distribution of high or low voltage systems throughout the showground. Exhibitors are asked to check on the position of cables, above and below ground, prior to erecting stands, marquees or flagpoles.

VEHICLE EXHIBITS

Exhibitors are not allowed to demonstrate or exhibit any vehicles in the avenues during the Show without prior authorisation.

EXCAVATION

No exhibitor will be allowed to excavate in any part of his/her stand without permission from the CLUB. It is imperative that the exhibitor checks the position of underground services prior to any excavation works being carried out.

All fencepost and flag pole holes must be filled and reseeded or returfed.

CONTRACTORS

Exhibitors are responsible for ensuring that their contractors are aware of and follow all relevant Health and Safety legislation together with the Club's Health & Safety Policy.

SAFETY REQUIREMENTS – HEALTH AND SAFETY AT WORK ACT 1974

Special attention is directed to the safety requirements outlined in the regulations governing the allocation of space for machinery and other stands. The ruling of the Steward on the safety of any exhibit, or part of an exhibit, shall be immediate and final; but consent to the working of an exhibit, shall not relieve any exhibitor of liability as laid down in the regulations.

The CLUB holds exhibitors wholly responsible for the observance of statutory regulations governing the safety of machinery exhibited by them. Machines and appliances are accepted for the adjudication and on the understanding that they are capable of complying with the Health and Safety at Work Act 1974 and the regulations, which are implemented under it.

CYCLES

No motorcycles, motorbikes or ATVs of any kind may be taken on to the Show avenues without prior authorisation.

FIRE PRECAUTIONS

Exhibitors bringing their own tentage must ensure that it has been treated with a suitable fire retardant and in the case of a large marquee, a plan showing all fire exits must be submitted for approval by the local Fire Authority. All trade stands must have fire extinguisher(s) sited in a prominent position and in full view. These appliances should be held at the following rate: 250-500 sq. ft. ONE; 500-1000 sq. ft. TWO; for each additional 1000 sq. ft. or part of, a further appliance is required. The most suitable extinguisher is a 5 kilo dry powder type, which in the case of most fires, will contain the outbreak until the arrival of the fire brigade.

FIRE/EMERGENCY PROCEDURE

1. In the event of fire, evacuate the stand or area immediately.
2. Report the fire to the Secretary's Tent where the Fire Authority can be notified.
3. Keep all spectators well clear of the area.

ACCIDENTS/FIRST AID

The PRIORITIES are:

The safe treatment of the injured person. Immediate action to prevent re-occurrence. Reporting/ Investigation

1. First aid is available at the First Aid Tent.
2. An accident book is kept in the First Aid Tent which must record the incident.
3. In the event of any accident the CLUB should be informed immediately. The Safety Advisor will be responsible for investigating the accident and recommending the necessary action following any accident.

LIVESTOCK

In the interests of safety unauthorised movement of animals during the show period will not be allowed.

Exhibitors of BULLS should make themselves familiar with HSE Agriculture Information Sheet No 35.

Agriculture Information Sheet No 35 gives appropriate methods for handling bulls at events:

- a) Two people, one using a bull pole attached to the bull's nose ring and the other using a rope or chain attached to the halter or head chain via the nose ring;
- b) Two people both using ropes or chains, one rope or chain attached to a halter, the other attached directly to the nose or via the nose ring to the halter;
- c) One person using a bull pole attached to the bull's nose ring and a rope or chain attached to a halter, or head chain via the nose ring, with a competent person standing by able to assist in the control of the bull if necessary;
- d) Bull handlers should:
 - hold the bullpole, rope or chain firmly without exerting unnecessary pressure;
 - keep the bull under observation;
 - walk at a steady, slow pace slightly ahead of the bull;
 - keep the bull's head up at all times.

Please NOTE any bull over 10 months old being led on the showground MUST be accompanied by TWO handlers at all times. Young persons should not be allowed to handle bulls.

Exhibitors of HORSES should familiarise themselves with any rules or guidance notes issued by the appropriate authority or Club which control the particular activity and they must comply with these standards.

HARD HATS

Anyone riding a horse or pony must wear a hat to British Standard specification and of a standard approved by the governing body of their respective horse or pony Club, association or discipline and under whose rules they are exhibiting or competing. This hat must be worn at all times.

SPRAY DIPPING OF SHEEP

The use of any substance containing toxic chemicals, including sheep dips to prepare sheep for showing, whilst on the showground, is strictly forbidden.

DOGS

Except for Guide Dogs or participants in the Dog Show, all other exhibitors are not encouraged to bring their dogs onto the showground. All dogs, other than while competing in the Dog Show, must be kept on a short lead at all times.

All competitors in the Dog Show must ensure that their animals are kept under strict control at all times. They are also asked to be responsible for the cleaning and disposal of all dog faeces.

Dogs are not allowed in the Main Exhibition Marquees or Livestock Areas.

SMOKING

Smoking is not allowed in Marquees, in accordance with the Health Act 2006.

Cows or heifers which appear about to calve will be placed in isolation and returned home as soon as possible as is practical. Cows or heifers calving at the Show or which show signs of abnormal discharge will be placed in isolation and returned to herd of origin as soon as possible. Such animals will not be allowed to compete.
10. A cow is defined as an animal having had two or more calves.
11. Exhibitors must ensure that they familiarise themselves with the GENERAL RULES AND REGULATIONS on Page 5 and the USK FARMERS' CLUB LTD SAFETY POLICY STATEMENT on pages 4 to 9 of this schedule

12. An animal that is excited or aggressive will not be allowed to parade and may be withdrawn from the Show.
13. No exhibitor can enter any animal in a class where the Judge is either the breeder of that animal or commercial gain will result.
14. Children 16 years and under will not be allowed to handle bulls or any large or fractious animal.
15. A competent adult must always be present when under 16s are handling stock.
16. Please NOTE any bull over 10 months old being led on the showground MUST be accompanied by TWO adult handlers at all times. Exhibitors of BULLS should make themselves familiar with HSE Agriculture Information Sheet No 35. (See page 15 of this schedule for further details)

ALL EXHIBITORS ARE REQUESTED TO HAVE THEIR EXHIBITS PENNED BY 9.30 am FOR JUDGING TO COMMENCE AT 10.00 am.

Any artificial contrivance or device of any description found on or proved to have been used on an animal at any time whilst that animal is in the Showground, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a prize, and any prize awarded prior to discovery will be forfeited. The Instigator or The Owner of the said animal may be prohibited from again entering Stock for any future shows organised by Usk Farmers' Club, for such period as the Committee may see fit. For the purpose of this Regulation, the term 'improper practice' shall be held to include sealing of teats, and generally any other practice including tampering or of their own or any other animal by the exhibitor or any other person which results in the animals being shown other than in a natural state, and Usk Farmers' Club reserves the right to have all animals inspected by the their chosen Veterinary Officers, either prior to, during, or after judging.

The Club will not tolerate the administration to show exhibits (entered either for competition or sale/demonstration) of tranquillisers or other drugs which may in any way affect the performance of the animal in question to have effect of making it behave in the show ring in a manner which is not natural. The Club reserves the right to take any necessary samples. Any Person or Exhibitor (or his representative) who is found to have administered or permitted the administration of any such tranquilliser or drugs to any Show exhibit will be reported to the Organising Committee and dealt with at their discretion. In addition the matter will be referred to the appropriate Breed Society or Organisation.

Any Exhibitor wishing to lodge an objection, having reference to Livestock exhibited at this Show, must make the same in accordance with the objection requirements of the Club. If, on investigation, the objection is not sustained to the satisfaction of the Committee, the sum thus deposited shall, at the discretion of the Committee, be forfeited to the funds of the Club. All objections must be lodged on the same day as the alleged incident occurred in accordance with the objection regulations, and no objection will be SUBSEQUENTLY received, unless a reason, satisfactory to the Committee be assigned for the delay.
